Description

MM Debut Bass 25 – Marco Mendoza Signature – All tone. No fuss. Now with Marco's signature style
.
The MM Debut Bass 25 is a striking artist inspired version of our acclaimed Debut Bass 25 practice amp. Developed in collaboration with world renowned bassist Marco Mendoza, this signature edition takes the trusted Debut Bass platform and gives it a bold new look — featuring Marco's distinctive Bird logo, bespoke tolex and custom fret cloth.

Marco is a celebrated bassist with a career spanning Thin Lizzy, Whitesnake, The Dead Daisies and SATCHVAI, who brings unmatched versatility and charisma to every performance. Having used the Debut Bass 25 from early prototypes, he quickly adopted it as his go to backstage and home practice companion, citing its tone, simplicity and portability. Now, his personal touch comes to the amp that inspires his everyday playing.

Marco says:

"The MM Debut Bass 25 is everything a bass player needs to enjoy playing every day – it's simple, inspiring and sounds incredible."

Featuring Clean and Drive channels, the MM Debut Bass 25 covers everything from warm, rounded bass tones to gritty rock drive. A full 3-band EQ provides powerful tone shaping, making it easy to dial in great sounds quickly, whether practicing at home, warming up backstage or jamming along to backing tracks.

Designed for everyday playing, the MM Debut Bass 25 includes a Line Out for silent headphone practice and a Line In for playing along to music or tracks. Compact and robust, it offers the portability and reliability bass players need, without unnecessary complexity.

Finished with Marco's Bird logo panel, bespoke covering and custom fret cloth, the MM Debut Bass 25 pairs proven Blackstar design with unmistakable artist character. Simple, inspiring and great sounding, it is a practice amp built to be played every day.
